

## Call for Papers – “Why History Education?” 2022

The digital **Conference of the International Society for History Didactics (ISHD)**, September 16-18, 2021, has been dedicated to the question **“Why History Education?”**. About 80 speakers have exchanged views with you on this question. We would like to present this exchange in a book.

**We invite you to submit your paper.**

Please note:

You can submit your paper for the **Yearbook of the International Society for History Didactics 2022** (there will be a separate call in the Yearbook 2021) or for the **book “Why History Education?”**, edited by **Nadine Fink, Markus Furrer & Peter Gautschi**.

Manuscripts should be addressed to:

For the **book**: Prof. Dr. Markus Furrer, University of Teacher Education of Lucerne, Switzerland: [markus.furrer@phlu.ch](mailto:markus.furrer@phlu.ch)

For the **Yearbook** of the ISHD: Prof. Dr. Joanna Wojdon, University of Wroclaw, Poland: [joanna.wojdon@uwr.edu.pl](mailto:joanna.wojdon@uwr.edu.pl)

Decide on one addressee. We coordinate the publications. Both publications are blinded peer reviewed. The formal requirements are also the same for both publications (see the style sheet).

**Submission deadline for the JHEC/Yearbook: extended until 30 March 2022**

**Please note: For the JHEC/Yearbook – as always –articles on free topics for the “Forum” section are welcome.**

In your paper, also clearly focus on the question of the importance and function of history education. On the conference website you will also find all further documents. <https://www.phlu.ch/veranstaltungen/digital-conference-of-the-international-society-for-history-didactics-ishd.html>

We are looking forward to your contribution. Also, we thank you very much for the interest.
