The International Society  
for History Didactics presents:

# LEVEL UP HISTORY

How Digital Storyboards Boost Self-Directed  
Learning in South Africa

Join the International Society for History Didactics for our **Level Up History!** webinar where you'll discover how digital storyboards can ignite student curiosity, deepen engagement, and supercharge self-directed learning in the history classroom.

Connect with passionate teachers, academics, and industry experts to explore cutting-edge strategies that bring history to life for 21st-century learners!

Presenter:

**Mr. Ike Mabelebele**

*PhD Candidate*
